SHANVI SARL

FAMILY

WHO WE ARE :

Registered Company in

D R CONGO, Central Africa

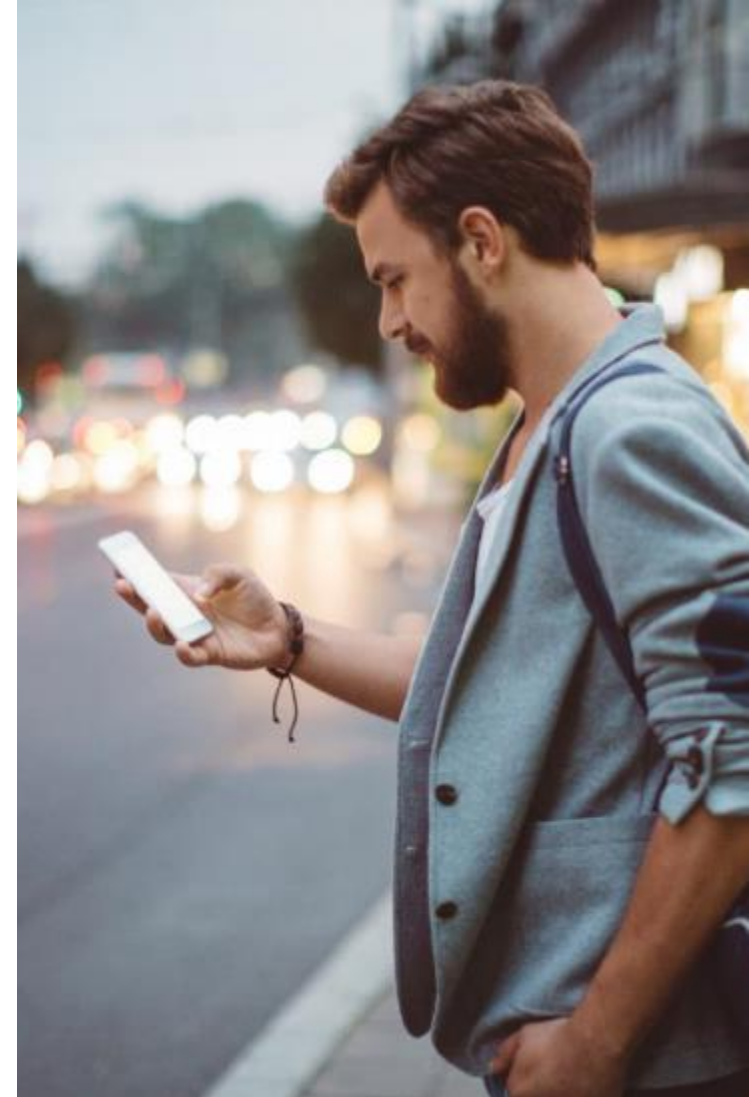

- SHANVI SARL is a dedicated service provider helping African students pursue higher education opportunities in India. With a strong commitment to academic excellence and student success, we serve as a trusted bridge between aspiring students and reputable Indian universities.

We specialize in providing end-to-end guidance and support to students— from university selection and application assistance to visa processing and pre-departure orientation.

Our services are tailored to meet the unique needs of each student, ensuring a smooth and successful transition to studying in India.

What We Do

Our Network:

We proudly maintain strategic tie-ups with a wide range of accredited and reputed universities across India. This allows us to offer diverse academic programs across disciplines such as Engineering, Medicine, Business, IT, and the Humanities.

Our Mission:

To empower African students with quality international education opportunities in India, while ensuring cultural support and academic success throughout their journey.

Why Choose **SHANVI SARL?**

Personalized student counseling

Strong university partnerships in India

Transparent and reliable admission process

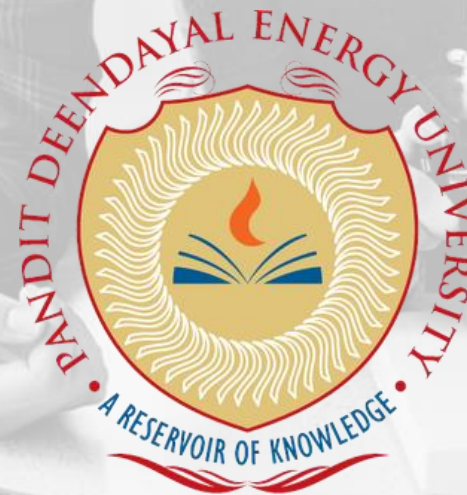

Continuous support from application to graduation
